

PATENT

Our Docket: P-ZA 5015

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of
Maurizio Zanetti

Serial No. 10/030,003

U.S. Entry: October 24, 2001

For: SOMATIC TRANSGENE
IMMUNIZATION AND
RELATED METHODS

Commissioner for Patents
Washington, D.C. 20231

Group Art Unit: 1646

Examiner: Not Yet Known

I hereby certify that this correspondence is
being deposited with the United States
Postal Service as first class mail in an
envelope addressed to: Commissioner for Patents,
Washington, D.C. 20231, on July 31, 2002.

By Deborah L. Cadena
Deborah L. Cadena, Reg. No. 44,048

INFORMATION DISCLOSURE STATEMENT

Sir:

TECH CENTER 1600/2900

In accordance with 37 C.F.R. § 1.97, enclosed are references relating to the above-identified application. For the convenience of the Examiner, these references are listed on the attached Form PTO-1449, and a copy of each is enclosed herewith.

It is respectfully requested that these references be considered in the examination of this application and that their consideration be made of written record in the application file.

No fee is deemed necessary in connection with the filing of this Information Disclosure Statement. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 03-0370.

Respectfully submitted,

Date: July 31, 2002

Deborah L. Cadena
